

# 2nd of 3 Investment Opportunities in the Athens Stream Team

Scott and Vicki McCracken scott.mccracken@iteams.org Aug 11, 2012

Here is the second investment opportunity I said I would ask you to pray about (please feel free to ask questions):

## **THE INCUBATOR**

"**incubator**": an apparatus for maintaining optimal conditions for growth and development in the early care of...infants...

Not simply a place for homeless refugees to sleep...

...but more strategically a context for DISCIPLESHIP to happen in the context of COMMUNITY...

...an atmosphere of SAFETY in which they are both protected from the intimidation and violent behavior of fanatic Muslims, and also free to pursue following Jesus along with other brothers in Christ...an oasis of PEACE where they can STUDY the Bible and pray without fear

...a place of STABILITY where they can sleep, be clean, share meals, not fear the realities of sleeping on the streets (i.e., muggings, arrest, persecution, animals, bad weather, etc.)

The best discipleship takes place in the context of community. This is NOT the easiest form of discipleship. It involves shared responsibility, confrontation, accountability, and a way of life that is not focused on self.

But on the other hand, the benefits include mutual encouragement, corporate prayer, being held accountable, and deeper relationships with God and each other.

Total set-up costs: approximately \$5,000 USD

Total monthly costs: \$1,900 USD

All investments (one time and/or regular) can be sent to:

International Teams, 411 West River Rd. Elgin, IL 60123-1570
