

BIG BIG BIG ANSWER TO PRAYER

!!!!!!!!!!!!!!!!!!!!

February 12, 2013

Dear friends,

Right now we are crying and laughing and praising God because Dr. Joseph's family was just granted their family reunion visas!!!!!!!!!!

After 4 years of separation they (and we) are overjoyed!!!

PLEASE thank God with us and PLEASE continue to pray for their safe exit out of the country, as well as the re-adjustment they will all need to make after such a long separation.

One more thing...we are using our credit card to buy tickets for the family to come. If anyone else would like to be a part of investing in this gift to them (please), you can make a donation to our account at International Teams. We will simply request the extra money that comes into our account to reimburse our credit card company. The TOTAL ticket costs are 1,200 euros (\$1608 at today's rate). If donations exceed actual costs we will use the excess to help get them set up in their initial living situation. (Until now, Dr. Joseph has been living in a small room at a small nursing home offering his medical skills in exchange for room and board. When his family arrives THIS SATURDAY he will need to be in another place, AND he does not have a paying job yet!!)

Whether or not you can help financially, please join us in thanking and praising God! Thank you for all your prayers and love and support you have shown for him (and for us) over these years. We are truly truly grateful!

Thanks to God and to you,

Scott and Vicki (AND Dr. Joseph)
