

DR. JOSEPH'S FAMILY HAS LANDED!!!!!!!!!!!!!!

March 2, 2013

Dear Praying Friends,

THANK YOU FOR PRAYING AND REJOICING TOGETHER WITH US FOR DR. JOSEPH'S FAMILY! After a delayed flight from Pakistan they missed their connection in Dubai, but were put up in a nice hotel for the night and arrived after a slight delay about an hour ago!!!! They just called and were SO SO SO HAPPY! They wanted us to thank EVERYONE who has been praying and helping financially, and Dr. Joseph said (in a very giddy voice), "I feel like I am in a dream!"

We will have a (small) welcome party for them early next week in order to give them a few days alone before overwhelming them.

Thank you for your continued prayers on their behalf for his wife's salvation, for work for him, for a door to open for relocating to a safer and more stable country, as well as for his continued growth in the Lord, and that they will be able to face together the difficult adjustments they will all need to be making together.

Very Grateful,

Scott and Vicki
