

Investment Opportunities for "Stream Team" in Athens

Scott and Vicki McCracken scott.mccracken@iteams.org Aug 3, 2012

(OK, I tried this once with photos but it was rejected by too many servers so I am trying again without photos...)

Dear Praying Friends,

In this first of 3 e-mails I am sending to you, I want to share ONE of the top investment opportunities that you (or your church, or your Sunday School class, or someone else you know) can make in a way that will make a strategic, immediate and very practical difference.

Office Space

Scott started sharing an office space with another ministry in January 2012. The other ministry is planning to move out now, and if Scott is able to take over all the rent and expenses (instead of just the 1/3 he has been paying) he can use this very appropriate space and central location. Some improvements and set-up will be necessary (i.e., air conditioning, internet, bookshelves, some furniture and equipment).

This facility will provide the following:

1. A landlord who does not care about the purposes for which we will use it (MANY will not rent to evangelical "heretics" or to anyone helping refugees)
2. Quiet study space for Scott AND future teammates
3. A central and easy-to-find location
4. A meeting space for small groups of 10-12 people at a time
5. No need to waste time and energy hunting for a new place and moving again
6. Good neighbors (a partnering church in the same building)

Total one-time set-up/improvement costs: \$2000 USD

Monthly costs: \$700 USD

All checks can be made out to "International Teams" and sent to:

International Teams
411 W. River Rd.
Elgin, IL 60123

Please include a note designating for the "Stream Team"

THANK YOU FOR PRAYERFULLY CONSIDERING THIS INVESTMENT. ANY AMOUNT WILL

BE HELPFUL!

Grateful,

Scott and Vicki
