Dear Praying Friends,

Just thought I should clarify that the Christian camp experiences for refugees that were referenced in my last update were an INTER-MINISTRY effort between HELLENIC MINISTRIES (at whose property it was held--you can see it at:

<http://www.hellenicministries.com/pages/en/Ministries/PortoAstro/WhatIsPA.html>), The Oasis (a ministry of the IMB), and Helping Hands (the Greek non-profit we started back in 1993).

Grateful for you,

Scott and Vicki
