

# Urgent prayer needed

December 25, 2012

Dear Praying Friends,

We received from one of our brothers in a neighboring country the following e-mail. This brother came to Jesus in Athens and is now a worker for our father in a M country. God willing, I will go visit him next month. Thank you for making his request a matter of urgent intercession.

Grateful,

Dear friends,

As we are getting ready to celebrate the most important event in history the enemy does not stay still, (maybe because) in the past few weeks more than 9 people have come to know our Lord.

One of our long time friends and student is a wonderful sister who has had a very rough marriage. She has been threatened by her husband many times that her new faith has been shaken at times. She has received word that her husband is coming from IR to kill her and burn the Ch\*\*ch leaders including myself. I had an opportunity to talk with him about our Lord 2 years ago but he was very angry at anything but Is\*am.

Please pray that she will be protected and stay safe. She will leave her house tomorrow morning and will live with us for the time being!

Please pray that the husband will not be able to take the kids and return them to IR!

Please pray for wisdom for us as leaders!

Please pray for S as she tries to comfort her and show her lots of love and care

Blessings,  
M
